

27th December 2003

TO WHIM IT MAY CONCERN

We should like to confirm that **BEMCO** (Bahrain Electromechanical Services Company WLL) is performing all their duties related to Air-conditioning maintenance in Bahrain International Airport form 1st July 2002.

Their scope of work includes operation, preventative and breakdown maintenance of complete Chilled Water Air-Conditioning System at Bahrain International Airport.

This letter is issued at the request of BEMCO for whatever purpose it may serve.

For Civil Aviation Affairs:

Abdulla Janahi
Manager Airport Maintenance
