Certificate of Appreciation

This is to certify that **M/s Bahrain Electromechanical Services Co. W.L.L. (BEMCO)** has taken up the sub contract with us for carrying out the installation of HVAC, Chilled Water Piping, Sprinkler, Domestic water supply, Drain/Waste/Vent systems and underground site utilities for **US Navy FY00 Milcon Program P-913 Transit Bachelor Quarters and P-905 Security Barracks Buildings.**

During the execution of project, we found that their approach is highly professional and meeting with the demanding quality expectation of US CORPS of Engineers. Also, both the buildings have been completed and handed over to the utmost satisfaction of the end user within a stipulated period.

Their expertise teamwork and cordial relationship with our management & staff are quite appreciable. We congratulate their management, staff and workers for the job well done and we look forward to work with them in near future.

We wish them all success for their future endeavors.
