TO WHOM IT MAY CONCERN

We should like to confirm that BEMCO (Bahrain Electromechanical Services Company WLL) is performing all their duties related to Mechanical and Electrical work of Car Park Building in Manama, Bahrain for the last 3 years.

Their scope of work includes operation, preventive and breakdown maintenance of complete HVAC, Electrical and Plumbing System installed in our premises.

This letter is issued at the request of BEMCO for whatever purpose it may serve.

For **Bahrain Car Parks Company**

Mohammed Al Kooheji
General Manager
