We are writing at the request of Bemco to confirm that the company undertook all of the electro-mechanical works on a subcontract basis on the above referenced project.

The whole of the works were completed to the complete satisfaction of the client and practical completion and handover were achieved six months ahead of the project's contract completion date. Bemco's performance played a key part in achieving this early completion and we would be pleased to work with them in the future should the opportunity arise on other projects.

Yours faithfully,
FOR MOHAMMED JALAL CONTRACTING

J G Booth
General Manager
