TO WHOM IT MAY CONCERN

Mannai Engineering are pleased to confirm that the co-operation, engineering capability and service of the complete BEMCO design and implementation team on the Six Cinemas at Seef Mall was first class.

We would commend their services to any Client who may be considering using them for HVAC installation works.

We are personally look forward to continuing to use BEMCO in the future and we wish them every success.

For MANNAI ENGINEERING CO. LTD.

JOHN C. WRIGHT
General Manager

ISA ALMANNAI
Managing Director
