TO WHOMSOEVER IT MAY CONCERN

M/s. Bahrain Electro Mechanical Services Co. W.L.L. (BEMCO) have successfully completed the Electrical installations at the **Gulf International Convention Centre** for the Bahrain Hotels Co. They worked as part of the team in their capacity as Electrical Sub-contractors to the Main Contractor. As designers and lead consultants for the project, we are happy to say that the electrical installations in the Centre are fully operational to the entire satisfaction of ourselves and the Clients.
